

## GRANT AWARDS

Grant awards are based on a Bay Area resident's application demonstrating their determination to fulfill their vocational vision. Grants are awarded for the last phase of training, schooling or after one year in business.

The Fouché Foundation Fund Grant Awards will range from \$250 to \$1000. Funds will be given directly to the Training School, Program, College or the 501(c) (3) Business.

*Implementing The Fouché Foundation Fund of granting funds to recipients with a "Vision for a Vocation" is the vision of Aloysia Fouché. Her vision is for this community to embrace, to value and to depend on vocations that enhance and improve the lives of individuals and the community. "All occupations and jobs are important...try doing without the job that you need done!"*

## THE FOUCHÉ FOUNDATION FUND

The Fouché Foundation, a donor-advised fund administered by the Richmond Community Foundation, offers financial assistance to individuals in the community with a vision and determination to pursue a vocation through Training/Specific Skills Programs, College, or Entrepreneurial Ventures. It is our belief that the vocations attained by the recipients of this Foundation's funding will collectively enhance their lives and the community.

Financial assistance will be awarded in three categories: Specific Knowledge or Skills Programs, Entrepreneurial Ventures and Degree Attainment.

We live in a complex interactive society and we must recognize the importance and value of all careers and professions within our communities. A variety of vocations are necessary to maintain and develop an efficient and effective society that meets the demands and enhances the day to day lives of its people.
