“ I'm very sorry for the loss of your beloved son, Umiika and Jesse. Even though I didn't get the chance to meet him, he seemed like a nice young man. Continued prayers to your family.

“ I don't know where to start bestfriend , I say we was hmm 11 years in this . From freshman year in high school until 2019 , you were so sweet so loving & caring . You always had my back no matter what , when you went away we sent eachother tons of letters we always stayed in touch . You never let me go through my problems alone , I could always call you no matter what time of the day it was . The last time we spoke with eachother we sat for hours & when I say hours I really mean hours . I was going through a tough time & you brung me things to make me feel better I told you how much I loved you & how much I appreciated you . You always knew that because I would make sure I never go a day without telling you that . I miss you so much , I miss being able to see your face hear your voice & you telling me I have a big head lol . Nothing can bring you back but my dream confirmed that you're safe now , you're alright up there . In this crazy world we live in I take it like this , you're lucky because you get to see the magical world before we do . God sent you here to complete your mission & you did , now you're off to something way more better than what was down here . You will forever be in my heart, I will never forget you ever ! I love you for enternity & even after that . Love - Tasia

“ Oh where do I start. My baby! I loved Akinsha from the day I met him, he was the newest baby to our family. Umiika had a baby! He was a little man with a big personality,very smart, very intelligent with a beautiful heart of gold. That little laugh of his got me every time. I'm so proud he was apart of my life, apart of my family. I'm so proud to be your Great Auntie Marjorie. "Auntie". Akinsha would come and check on me and just hang out and eat of course. We would just sit and giggle, that was the best giggle, I'd ever heard. I will miss you so much "Nephew" I love you with all of my heart. Thank you Umiika and Jesse for sharing this precious baby with me. Akinsha, you will truly be missed on earth but in the loving arms of family in heaven. I love you "Nephew", until we meet again.

Love
Auntie Marjorie

“ Umeka and a Jesse thank you for sharing your precious baby with the world. I had him for an intern for the summer and of course he brought me plenty joy but he also challenged me but he
Was always respectable, kind, and I'm so proud of the man he had become. I'll miss him. Kinsha brought a smile to all he met and I'm better because of him.
