

Mr. Tommie Xavier Hodge

July 2, 1974 - November 17, 2014

Tommie Xavier Hodge was born on July 2, 1974 in Waco, Texas to Deborah Anita Taylor. He spent a few of his childhood years in Texas before his family relocated to Richmond, then Vallejo California during his primary years. Tommie had a great mentor and role model who helped raise him; his grandfather Harvey Hodge, Sr. He graduated from El Cerrito High School in 1992.

Tommie had a love for history and while watching documentaries he would also focus on reading autobiographies of some of our American tycoons and business entrepreneurs. He was a man that studied the economy and environment of our Nation.

Tommie entered the Automobile Industry at the early age of 19. He had a love for cars like no other. He was very successful at transferring his positive emotions for cars to his customers. His most recent position was with Mercedes-Benz of San Francisco, where he managed the Sales Team. He was with Mercedes-Benz of San Jose and the San Francisco for 10 years. He had a stellar career with them and because of his outstanding performance, he was rewarded with trips to Beaver Creek, CO and Anguilla; which he shared with Tracy. Their most recent travels was a 7-day cruise leaving from Dan Juan, Puerto Rico heading to St. Thomas, St. Croix, Aruba and Curacao.

Tommie enjoyed the finer things that life had to offer, but also enjoyed simple things like walking Lake Merritt in Oakland, California. Tommie appreciated his alone time and would walk and think about life. It was a place he felt free and could clear his mind. He would go there daily and think about his son, Davin: whom he truly loved and bragged about all the time.

Tommie will be especially remembered for his quick wit, work ethic, and the tenaciousness that allowed him to build lasting relationships.

Tommie will be lovingly remembered by his (Fiancee) Tracy J. Lewis, (son) Davin Amir Hodge, (sister) Charra Taylor, (grandfather) Harvey Hodge Sr., (aunt) Beverly Smith,

(aunt) Paulette Hodge, and (uncle) Harvey Hodge, Jr. Tommie was predeceased by his mother Deborah Taylor. He will also be forever remembered by his extended family and dear friends.
